

Identification in Forensic Medicine

Lecture	Duration	
Identification - Dermatoglyphics and Superimposition		
Identification - I-01	1_2629	00:20:35
Identification - I-02	1_2630	00:13:07
Identification - Sex and Stature		
Identification - II-01	1_2631	00:19:00
Identification - II-02	1_2632	00:18:27
Identification - Age		
Identification - III-01	1_2633	00:19:14
Identification - III-02	1_2634	00:18:05
Identification - Tattoo Scars and Anthropometry		
Identification - IV-01	1_2635	00:15:07
Identification - IV-02	1_2636	00:17:06
Identification - Other Identification Points		
Identification - V-01	1_2637	00:21:36
Identification - V-02	1_2638	00:16:09
Identification - DNA Fingerprinting and Identification in Mass Destruction		
Identification - VI-01	1_2639	00:21:54
Identification - VI-02	1_2640	00:12:34
Examination of Hair		
Examination of Hair-01	1_7029	00:23:32
Examination of Hair-02	1_7032	00:23:32
Age Estimation by X-Rays		
Age Estimation by X-Rays	1_11088	00:14:57
Sex Determination from Bones		
Sex Determination from Bones	1_11090	00:21:38
Examination of Biological Material		
Examination of Biological Material-01	1_7026	00:16:47
Examination of Biological Material-02	1_7063	00:17:01
Examination of Biological Material-03	1_7064	00:18:25
