

## Biochemistry of Molecular Biology

| Lecture                              | Duration |
|--------------------------------------|----------|
| <b>Nucleotides</b>                   |          |
| Nucleotides-01                       | 00:20:43 |
| Nucleotides-02                       | 00:19:54 |
| <b>DNA Structure and Replication</b> |          |
| DNA Structure and Replication-01     | 00:22:56 |
| DNA Structure and Replication-02     | 00:17:01 |
| <b>DNA Transcription</b>             |          |
| DNA Transcription-01                 | 00:14:45 |
| DNA Transcription-02                 | 00:19:36 |
| <b>DNA Translation</b>               |          |
| <b>DNA Translation - I</b>           |          |
| DNA Translation I-01                 | 00:16:46 |
| DNA Translation I-02                 | 00:22:03 |
| <b>DNA Translation - II</b>          |          |
| DNA Translation II-01                | 00:23:47 |
| DNA Translation II-02                | 00:20:56 |
| <b>Molecular Genetics</b>            |          |
| Molecular Genetics-01                | 00:20:55 |
| Molecular Genetics-02                | 00:24:52 |
| <b>Molecular Biology Techniques</b>  |          |
| Molecular Biology Techniques-01      | 00:24:37 |
| Molecular Biology Techniques-02      | 00:21:11 |
| <b>Cancer Biology</b>                |          |
| <b>Biochemistry of Cancer</b>        |          |
| Biochemistry of Cancer               | 00:32:06 |
| Biochemistry of Cancer_Revision      | 00:07:41 |
| <b>Genes and Cancer</b>              |          |
| Genes and Cancer-01                  | 00:21:50 |
| Genes and Cancer-02                  | 00:21:10 |
| <b>Carcinogenesis</b>                |          |
| Carcinogenesis - 01                  | 00:15:34 |
| Carcinogenesis - 02                  | 00:15:37 |
| <b>Tumour Markers</b>                |          |
| Tumour Markers                       | 00:13:34 |
| Tumour Markers_Quiz                  | 00:03:05 |
