Sub: Digital approach to Medical Education

Sir,

I am directed to state that the General Body of the DCI at its meeting held on 6<sup>th</sup> & 7<sup>th</sup> December, 2008 decided that all the Dental Institutions be requested to strengthen and equip their Dental Education Units whereby they would be in a position to undertake the desired digital approach for the purposes of modular teaching as a part of capacity building of dental students.

With the above, I am directed to request you to take necessary steps in the matter. However, in case you need any expertise guidelines in the subject matter, you may approach to Medical Education Research Centre for Educational Technologies Ltd, Hyderabad at your own level.

Yours faithfully,
